Make every day a little more joyful

Make every day a little more joyful

A Hoptimist is all about smiles, optimism and high spirits.
Give a Hoptimist and experience the joy of giving. Gustav Ehrenreich created the first figures in the late 1960s, which have gone on to earn themselves a place in Danish design history.

Today, the happy movement consists of a wealth of happy, brightly coloured Hoptimists for every occasion.

We are proud to be a part of the Danish Design tradition.
Each Hoptimist is designed in Denmark in the spirit of
Gustav Ehrenreich's vision.

**MAKE
EVERY DAY
A LITTLE MORE
JOYFUL**

No two Hoptimists are exactly the same.

Each and every Hoptimist is hand assembled and therefore they each have some degree of uniqueness.

You can be absolutely certain, that all Hoptimists are equally Joyful, however they may have smaller variance in height, direction etc. This is due to spring variations and the individual assembly.

If you are unlucky to receive a Hoptimist, that is not up to standard, or have suffered damage during transport, we are here to help you, by replacing or crediting the product.

Please send us a short email on claims@hoptimist.com. If you are able to attach pictures, we do appreciate it greatly. We are keen to learn from our mistakes and pictures help us to fully understand the issue at hand.
